THE IMPACT OF TRADE TALKS, TARIFFS AND GLOBAL TURMOIL ON OUR CATEGORY STRATEGIES – TIME TO GET IN FRONT OF THIS MAJOR RISK!

Are you flummoxed and frustrated with the constantly changing geo-political landscape, trade and tariff changes and foreign policy and the impact they all have on your category strategies? Don't worry - you'll be in good company with many of your peers. Join a number of your colleagues who are also trying to decipher all this and we can all learn from each other.

Your ability to get in front of all these will position you in a new leadership and strategic advisor role.
